# WHAT TO EXPECT

Campers will enjoy games, group activities, hands-on instrument play, singing, rhythm, arts and crafts, movement, and more! The camp will feature a mix of indoor and outdoor activities, held in both our music studio and a nearby grassy area just outside our building in Liberty Station. This weeklong experience is a great way for your child to make new friends, learn musical skills, and have lots of fun!

## WHAT WE ARE FOCUSING ON:

- Music literacy
  - Rhythmic competency
  - Singing and dancing
  - Playing instruments
  - Teamwork and community
- Our camp days include hands-on instrument play everyday, as well as listening, singing, art and movement activities.

## WHAT TO BRING:

- Campers should bring water and a snack\* everyday.  
*\*Please be mindful of common allergens; no nuts please.*
- Campers should wear comfortable shoes that permit easy movement for outdoor activities. Please be sure your camper has socks for when we are indoors as our puzzle mats are a shoe-free space.

## REGISTRATION & TUITION:

Visit [www.keynote-music.org/music-discovery](http://www.keynote-music.org/music-discovery) to submit an online registration form. Space is limited and students will be placed in a camp on a first-come, first-serve basis. The tuition for the full 5-day camp is \$350; once your registration is processed, an invoice will be sent for the camp tuition, due by June 1, 2025.
